Avinash Bhandari | AMFI Registered Mutual Fund Distributor & SIF Distributor (ARN-31739)

About Us

Sukriti Investments is the mutual fund distribution practice of Avinash Bhandari, an AMFI Registered Mutual Fund Distributor & SIF Distributor (ARN-31739) based in Jodhpur, Rajasthan. Avinash Bhandari has been registered with AMFI since July 2005 and has over two decades of experience in helping families and businesses invest in mutual funds.

We help investors choose mutual fund schemes that match their goals, time horizon and risk profile, and we stay with them through regular reviews. Every investor goes through KYC and risk profiling before the first investment. Schemes are selected from the AMCs we are empanelled with, on the basis of suitability — never on the commission they pay.

Our services cover mutual fund schemes and Specialised Investment Fund (SIF) schemes under the same ARN, in Regular Plans. Avinash Bhandari is also a life insurance agent of LIC of India and a general insurance agent of HDFC ERGO General Insurance Company Limited.

Avinash Bhandari is NOT a SEBI-registered Investment Adviser. Any guidance given is incidental to the distribution of mutual fund schemes and no fee is charged for it. Mutual Fund investments are subject to market risks. Read all scheme related documents carefully.

Privacy Policy

This Privacy Policy explains how Avinash Bhandari, AMFI Registered Mutual Fund Distributor (ARN-31739), collects, uses, stores and protects the personal data of investors and visitors to this website, in line with the Digital Personal Data Protection Act, 2023, the Prevention of Money Laundering Act, 2002 and the guidelines of SEBI and AMFI. Avinash Bhandari is the Data Fiduciary for the personal data collected.

We collect personal data only for a lawful purpose connected with mutual fund distribution: completing KYC, opening and servicing folios, assessing the investor's risk profile, placing transactions, sending account statements and scheme information, handling complaints and meeting regulatory reporting. The data collected includes name, date of birth, PAN, Aadhaar or other address proof, photograph, bank details, contact details, income range, FATCA/CRS and nomination details, and the answers given in the Risk Profiling Form. Visitors who use the contact form on this website share their name, mobile number, email and query.

Personal data is shared only with the Asset Management Companies, Registrar and Transfer Agents, KYC Registration Agencies, transaction platforms, insurers and regulators to the extent needed to process the investor's transactions and to comply with the law. We do not sell personal data and we do not share it with anyone for marketing. Data is kept in physical client files at the office and on password-protected systems with back-up, and access is limited to the distributor.

Personal data is kept for as long as the investor relationship continues and thereafter for the period required under the PML Rules, SEBI and AMFI guidelines and the Income Tax Act, after which it is erased. An investor may ask to see, correct or update the personal data held, may withdraw consent for any use that is not required by law, and may raise a grievance about the handling of personal data by writing to the Grievance Officer, Avinash Bhandari, at avinash@sinvest.in or on +91 9828535035. Requests are answered within the time allowed under the Digital Personal Data Protection Act, 2023.

This website may use cookies to remember the visitor's preferences and to understand how the site is used. Cookies do not hold personal data and can be disabled in the browser. This Privacy Policy may be updated when the law or our practice changes; the current version is the one shown on this page.

Risk Disclaimer

Investments in Mutual Fund schemes carry risk. Please understand the following before you invest:

- Market risk, including loss of capital. The value of a scheme moves with the market. It can fall because of market volatility, force majeure events, or changes in the political and economic environment. Returns are not fixed, and you can lose a part of the money you invested.
- Issuer default risk. A company or body whose securities the scheme holds may default on its payments, or may become bankrupt or insolvent. In such a situation the AMC may segregate the affected portion of the portfolio (create a segregated portfolio), and the money in that portion is paid only as and when it is recovered.
- Suspension of redemption. If a scheme faces a liquidity crisis, the AMC may suspend the redemption facility for the period permitted by the rules. During such a period you may not be able to take your money out.
- New Fund Offer (NFO) risks. A new scheme has no track record. Investments in an NFO carry price volatility risk, liquidity risk and, for schemes listed on an exchange, delisting risk.
- Winding up of a scheme. A scheme can be wound up if its instruments turn illiquid, if redemption requests are very high, or on account of unforeseen market events. On winding up, the money is returned as the scheme's assets are sold, which can take time and may be at reduced values.
- Past performance is not indicative of future returns. The Net Asset Value (NAV) of a scheme moves up and down with the market. No return is assured, guaranteed or indicated by us or by any Mutual Fund, and no illustration shown by us assumes a return above 12% per annum.
- Match the risk with your risk profile. Every scheme carries a Riskometer showing its risk level. Check it against your own risk profile before investing. We explain these risks to every investor at the first investment and again at every additional investment.

Standard Disclaimers

Mutual Fund investments are subject to market risks. Read all scheme related documents carefully.

Investments in securities market are subject to market risks. Read all the related documents carefully before investing.

Investments in Specialised Investment Fund (SIF) involve relatively higher risk including potential loss of capital, liquidity risk and market volatility. Read all scheme related documents carefully before investing.

Avinash Bhandari is NOT a SEBI-registered Investment Adviser. Any guidance given is incidental to the distribution of mutual fund schemes and no fee is charged for it.

Insurance is the subject matter of solicitation. Insurance products are offered as an agent of LIC of India and HDFC ERGO General Insurance Company Limited; the insurer is responsible for the policy.

Terms and Conditions of Website

This website is owned and operated by Avinash Bhandari, AMFI Registered Mutual Fund Distributor & SIF Distributor (ARN-31739), Jodhpur. By using this website you agree to these terms. If you do not agree, please do not use the website.

The content on this website is for general information and investor education only. It is not an offer, solicitation, recommendation or advice to buy or sell any mutual fund scheme or any other product. Nothing on this website should be treated as investment advice; Avinash Bhandari is not a SEBI-registered Investment Adviser. Before investing, read the scheme related documents and consider whether the scheme suits your risk profile, goals and time horizon. Any transaction is placed only after KYC, risk profiling and the signing of the risk and commission disclosures.

Information on this website is taken from sources believed to be reliable, including the AMCs, AMFI and SEBI, but its accuracy, completeness and timeliness are not guaranteed. Scheme details, Riskometer readings, expense ratios and performance change from time to time; the scheme documents and the AMC's website prevail over anything shown here. Links to third-party websites are given for convenience only, and we are not responsible for their content or their privacy practices.

The text, design, logo and material on this website belong to Avinash Bhandari or are used with permission, and may not be copied, reproduced or used for any commercial purpose without written consent. Users must not misuse the website, attempt to gain unauthorised access, or post anything unlawful or misleading. We do not accept liability for any loss or damage arising from the use of this website or from reliance on its content, to the extent permitted by law.

These terms are governed by the laws of India and the courts at Jodhpur, Rajasthan have jurisdiction. Investor grievances are handled under the Grievance Redressal Policy on this website and may be escalated to SEBI SCORES and SMART ODR. These terms may be revised from time to time; continued use of the website after a change means acceptance of the revised terms.

KYC & Onboarding Policy

Every investor completes Know Your Customer (KYC) verification before the first investment. KYC is a requirement under the Prevention of Money Laundering Act, 2002 and SEBI rules. No transaction is accepted for an investor whose KYC is not validated.

Documents we collect

- PAN card and Aadhaar or another valid address proof, seen in original. Copies are verified against the originals and attested.
- A recent photograph, bank account proof (cancelled cheque or statement) and the mobile number and email that belong to the investor.
- For NRI investors: passport, overseas address proof and NRE / NRO account details.
- For minors: the guardian's KYC and the minor's proof of age; for companies, trusts and HUFs: the constitution papers, list of authorised persons and ultimate beneficial owner details.

How onboarding is done

- The KYC status is checked on the KYC Registration Agency (KRA). Where KYC is not available, the form is filled, In-Person Verification (IPV) is done by the distributor and the KYC is submitted to the KRA / CKYC.
- The investor fills the Risk Profiling Form and signs the Risk Disclosure and Commission Disclosure.
- FATCA / CRS self-certification, nomination (or opt-out) and bank details are taken.
- The folio is opened through the transaction platform or by physical form. The investor receives a welcome communication with the folio details, the link to scheme documents and the grievance contact.
- Only the investor's own details are written in the application form. Changes to the investor's details are made only on the investor's written request.

KYC records and investor correspondence are kept in the client file for the period required under the PML Rules and SEBI guidelines, and are not shared with anyone except the AMC, RTA, KRA or a regulator as required by law.

Transaction Policy

Transactions are accepted only from investors whose KYC is validated and whose risk profile is on record. A transaction is placed only on the investor's own instruction — in writing, by email or WhatsApp from the registered contact, or through the investor's own login on the transaction platform. Telephone instructions are confirmed in writing before they are placed.

Online transactions

- Online transactions are placed through BSE STAR MF / NSE MF Invest Platform (For MF & SIF), CAMS Edge360 and KFintech IRIS.
- Every online transaction is authorised by the investor through OTP or e-mail link sent by the platform.
- Payment is made from the investor's bank account registered in the folio by net banking, UPI or mandate. Third party payments are not accepted.
- SIP registration, pause and stop requests are submitted through the platform or the RTA, which pass the information to the RTA.

Physical transactions

- Application forms are checked for completeness, signature and the investor's own details before submission. The ARN and the distributor code are written on every form as required by AMFI.
- Cheques are drawn from the investor's own bank account in favour of the scheme. Forms and cheques are submitted at the CAMS / KFintech service centre at Jodhpur and the time-stamped acknowledgement is kept in the client file.
- Cut-off time: applications received after the AMC's cut-off time are processed on the next business day at the applicable NAV.

Non-financial transactions

- Change of address, bank, nominee, contact details or KYC details is processed only on the investor's signed request with supporting documents and is submitted to the RTA or KRA.

Records

- Every transaction is entered in the Transaction Register and matched with the platform order report and the RTA mail-back file. Where an investor insists on a scheme that does not suit the risk profile, the Unsuitability Letter and the investor's written confirmation are kept with the transaction record.
- Investors receive the transaction confirmation from the AMC or RTA and the Consolidated Account Statement (CAS) as per SEBI rules.

Risk Assessment Policy

Before any scheme is recommended, every investor completes the Risk Profiling Questionnaire. It asks four questions — when the money will be needed, what the investor wants the investment to do, how the investor would react to a fall of 15% to 25% in value, and how much the investor depends on this money for day-to-day needs. The answers place the investor in one of three risk categories.

Risk category	What it means
Conservative	Capital protection matters more than growth. Suited to debt, liquid and conservative hybrid schemes.
Moderate	A balance between growth and stability, with some ups and downs accepted for better long-term growth.
Aggressive	Maximum growth; able to bear a large fall in value. Suited to equity schemes including mid cap, small cap and thematic.

Suitability Matrix

Risk Profile	Short Term (<3Y)	Medium Term (3-5Y)	Long Term (>5Y)
Conservative	Overnight, Liquid, Money Market, Ultra Short Duration	Low Duration, Short Duration, Corporate Bond, Banking & PSU Debt	Short Duration, Corporate Bond, Conservative Hybrid, Equity Savings
Moderate	Low Duration, Money Market, Arbitrage, Equity Savings	Equity Savings, Balanced Advantage, Multi Asset Allocation, Aggressive Hybrid	Balanced Advantage, Aggressive Hybrid, Mid Cap, Large Cap, Flexi Cap
Aggressive	Arbitrage, Equity Savings	Aggressive Hybrid, Large Cap, Flexi Cap	Flexi Cap, Multi Cap, Small Cap, Sectoral / Thematic

Risk Profile	Equity %	Debt %	Hybrid / Others %
Conservative	0-20%	70-85%	5-15%
Moderate	40-60%	30-50%	10-15%
Aggressive	80-100%	0-15%	0-10%

A scheme whose Riskometer reading is above the investor's risk category is not recommended. If the investor insists on such a scheme, an Unsuitability Letter is given and the transaction is placed only after the investor signs the acknowledgement and the execution-only confirmation.

The risk profile is reviewed at the annual portfolio review and whenever the investor's situation changes — a new job, retirement, marriage, inheritance or a change in income. The signed questionnaire is kept in the client file.

Fund Recommendation Policy

How a scheme is recommended

- The investor's risk category, goal, amount and time horizon are read from the Risk Profiling Questionnaire.
- Only the fund categories shown for that risk category and time horizon in the Suitability Matrix are considered.
- Only schemes of AMCs with which Avinash Bhandari is empanelled are considered.
- Returns over one, three and five years are compared with the benchmark and with schemes of the same category.
- Risk measures — standard deviation, Sharpe ratio and the largest past fall — are looked at.
- The expense ratio is compared with schemes of the same category.
- The time the present fund manager has run the scheme is checked.
- The Riskometer reading must not be above the investor's risk category.
- The commission paid by the AMC is never a reason to recommend a scheme. The commission on the recommended scheme is told to the investor with the recommendation.

How the portfolio is reviewed

Every investor's portfolio is reviewed once a year, and earlier if the investor asks or the investor's situation changes. The review checks whether the holdings still match the risk category and goal, how each scheme has performed against its benchmark, the spread across categories and the present Riskometer reading of each scheme. The findings are explained to the investor. If a change is agreed it is put through; if the investor does not want a change, the decision is recorded.

Grievance Redressal Policy

Investors may raise a complaint by phone, WhatsApp, email, letter or in person at the office. Every complaint is entered in the Complaint Register, acknowledged within three working days and resolved within fifteen working days. Where the matter lies with the AMC or the RTA, it is taken up with them on the investor's behalf and followed up till it is closed. A complaint is closed only after the investor confirms.

Grievance Redressal Contact Person	**Avinash Bhandari**
Phone	+91 98285 35035
Email	avinash@sinvest.in

How a complaint is handled

Step	**What happens**	**Time**
1	Complaint received (phone, email, WhatsApp, letter, in person) and entered in the Complaint Register	Day 0
2	Acknowledgement sent to you	3 working days
3	Records examined; taken up with the AMC / RTA where needed	—
4	Written reply with the resolution	15 working days
5	Closed after your confirmation	—

Escalation Matrix

Level	**Escalate to**	**Contact**

Particulars	**Details**
Name of investor	
Folio number/PAN	
Mobile number	
Email	
Nature of complaint (tick)	☐ Transaction ☐ Account statement ☐ Service delay ☐ Commission ☐ Other_____
Details of the complaint	
Date and signature	

Commission Disclosure

Avinash Bhandari distributes Regular Plans of mutual fund and SIF schemes and receives trail commission from the AMCs. The commission is part of the scheme's Base Expense Ratio (BER) and does not add to the investor's cost. No upfront commission is received. The commission actually paid is shown in the investor's Consolidated Account Statement (CAS).

The commission rate differs by scheme, AMC, AUM slab and location. The commission on the scheme being recommended is told to the investor at the time of the recommendation and is given in the Commission Disclosure signed by the investor. Schemes are chosen on suitability, not on the commission rate.

SID / SAI / KIM

Before investing in any Mutual Fund scheme, please read the scheme related documents: the SID/SAI/KIM. These documents describe the scheme's objective, where it invests, its risks, its Riskometer and its expenses.

Scheme Offer Documents (SID / SAI / KIM): Click Here.
(https://www.sebi.gov.in/filings/mutual-funds.html)

The documents are also available on the website of the respective Asset Management Company (AMC) and on the AMFI website https://www.amfiindia.com. We also send the SID/KIM link and the latest factsheet to the investor with every recommendation.

When an AMC changes a fundamental attribute of a scheme, the AMC's addendum is forwarded to the affected investors. Scheme performance may be checked on the AMFI website (https://www.amfiindia.com/net-asset-value) and on the website of the respective AMC. We share the investment status report with our investors and inform them of regulatory and operational changes that affect them.
